UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854. Mr. Stockbridge, of the Fountain Hotel, Light street

Dear Sir: Being on the point of leaving the city I avail myself of a few idle moments to thank you kindly for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage Since I had the fortune to use Dr. Hampton's Vege table Tineture my confidence is so strong that, i gratitude o the proprietors of said medicine, I be you to present my respects to them, and induc them to make it more publicly known as a sur Kheuma ic cure. Having called on me on the 19 of April last, and seen me prostrated on my bec useless in all my li abs, you can appreciate near! as well as myself the prompt relief I received from Dr. Hampton's Tinoture, and I am positive had not been for your strong and forcible recommend tions I should still have been in bed.

It is really a pity this specific should not be s proved by medical men, and like all patent drugs should suffer the imputation the public general give to such preparations. I myself, who was ways opposed to a patented specific, took this men cine with reluctance, and without confidence in i and it was only through your disinterested, friend! recommendations, and my critical situation that is duced me to try this really beneficial Vegetable

You may inform Messrs. Mortimer & Mowbre that they are at liberty to make use of my name the support of the good effects of Dr. Hampton Vegetable lincture, as it has cured me in five week of a chronic Inflammatory Rheumatism, contracte under tropical climates, and of seven years' periodic duration. I have only used three bottles, and fin that even the deformed parts of my hands are far returning o their former natural appearance

I have been under the treatment of several pic sicians in London and Paris, without any apparen benefit; also, while in New York, having tried the Thompsonian and Homospathic remedies, after having been tormented with galvanic ba teries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so far sured by this Hampton's Vege able Tineture only Therefore, my tear sir, accept of the assurance of my gratitude, and believe me your well wisher.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, VA., Aug. 18, 1851. Mr. J. M. Boush-Dear sir: While I am, in gene ral, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, disziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommend ing it to the afflicted as a safe and efficient remedy
